WELCOME

Thank you for your interest in the role of Principal and Chief Executive at Blackburn College. This is an exciting leadership opportunity at one of the largest colleges in England.

Blackburn College has a heritage going back 129 years, and is one of the largest and most successful colleges in England and commended by the Quality Assurance Agency in 2015 for the quality of its Higher education. It is in the process of implementing a performance improvement action plan as part of its journey to bring its Ofsted rating for its FE provision back to good and ultimately outstanding. It provides a diverse and stimulating curriculum which meets the needs of local, national and international students, employers and its community and positions itself to be the provider of first choice for employers in Pennine Lancashire. The College delivers A levels, vocational qualifications and apprenticeships through to Honours and Masters Degrees in addition to a comprehensive suite of professional courses.

Our partners and stakeholders recognise education and training as being at the heart of building and sustaining economic success and fostering social change. That is our challenge, and importantly to ensure that our footprint is clear and embedded. We do this through effective partnership working. We continue to develop our relationships with universities of international standing, including our validating partners. We consider our approach to be sector-leading. At the same time we have interfaces with national and international business and our community focus means that we are committed to develop further our presence around Blackburn and Darwen and in conjunction with the local authority and others. This includes the unique strategic alliance: a collaboration between Lancaster University, Blackburn with Darwen Borough Council and Blackburn College.

Over recent years our College Estate has been invested in to become a truly amazing environment for high quality education and training. This has been driven by a Corporation Board who have been relentless in the pursuit of excellence focussed upon the needs of our students; staff and stakeholders.

At the heart of everything we do is the Student Journey, and crucially our highly talented and professional staff, so as to ensure we remain the College of ‘first choice’ for our students. The key priorities of the College are to assure and enhance the quality of the education and training on offer to students and to deliver an excellent Student Experience across all areas. The College will support the educational success and employment prospects of students equipping them with the skills, knowledge and personal growth opportunities to make a valuable contribution to society and the economy. In 2016/17 9 out of 10 students of the University Centre at Blackburn College progressed into further or Higher education or into work for the fifth year in a row. In 2017 we also enjoyed significant A-Level grade improvements with a 7% increase in A* to C grades, a 5% increase in A* to B grades and a 5% increase in A* and A grades. These achievements come alongside a 100% A-Level pass rate in 18 subjects enabling our students to progress to a range of top Universities across the UK. Blackburn College makes a difference and changes the lives of those who choose to study with us.

The task of our new Principal and Chief Executive is to deliver a first class student experience, an environment in which staff can flourish and continue to deliver academic excellence in teaching, learning and assessment underpinned by relevant research and scholarship. Blackburn is a marvellous place to live. It is an area of innovation and world class industry. Come and be part of a place where students are at the heart of everything we do. Thank you for the interest you have shown in this position.

Phil Watson (CBE), Chair of the Corporation Board
About Blackburn College

With a turnover of around £43 million across Further Education, Skills, Apprenticeships and Higher Education, we take a lead role in transforming Pennine Lancashire into a vibrant and successful economy through education and training that enhances the skills, aspirations and potential of the local economy.

Blackburn College employs c1000 staff on one purpose-built campus.

We aim to develop people through learning and achievement for the benefit of themselves, society and the economy.

Our focus is on meeting regional and national education, skills and employability needs for individuals and the needs of employers in line with Government and Local Enterprise Partnership priorities.

We deliver quality education, training, employability and work-based learning solutions to thousands of organisations and learners. These include Government funded and commercial skills training and education, bespoke professional courses, employability services and regional training contracts.

Since the opening of its dedicated University Centre in 2009 we have gone from strength to strength, proactively engaging with businesses in the development of many of our vocational and degree level courses; enabling us to meet local, regional and national needs at a time of constant change and development.

As a result we have a reputation for producing learners and graduates that are highly sought after by employers.

Today Blackburn College is one of the largest colleges with a University Centre in England attracting in the region of 3,000 Higher Education students.

- Fort Vale Engineering – Range of commercial courses including Management training.

Other employers the College works with are Bowker BMW, Chorley Nissan and Northcote Manor as well as High Street names including Santander, Barclays, Boots and Marks and Spencer. 97% of employers say Blackburn College collaborates effectively with them and believe we have a clear understanding of the local skills need and opportunities.

Blackburn College is connected with more than 3,000 employers, locally and regionally. This close business engagement underpins the courses we develop to assist our business partners to remain competitive in the marketplace.

Community Impact

As the third largest employer in Blackburn, the College takes a leading role in transforming Pennine Lancashire into a vibrant and successful economy, which enhances the skills, aspirations and potential of the local community.
Location

Blackburn College is located on a modern, vibrant campus in a West Pennine town in East Lancashire at the heart of its community, close to the newly developed town centre, which was recently voted the overall winner of Great British High Street of the Year Award in England. Blackburn town centre is only a few minutes drive to open countryside and is served by the Leeds to Liverpool canal. There are excellent commuter links by motorway or rail from key cities such as Manchester, Preston, Leeds, Lancaster and Liverpool. The College is also within an hour’s drive of the beauty spots of the Lake District National Park and the Yorkshire Dales. There are excellent leisure facilities both on the College campus and within the wider community. The College in 2015 opened a new state of the art Sports facility and swimming centre on campus open to staff and students. It is presently looking at the development and creation of existing properties, in partnership with key stakeholders to develop a Health Innovation Unit; Centre for Entrepreneurship; Incubation Units for small start-up companies; and importantly facilities for research and development to inform our curriculum.
